

Airconditioning and Refrigeration Mechanic

Fletcher International Exports Pty Ltd

[Dubbo, Dubbo & Central NSW](#)

\$65,863 - \$80,000+

This is a full time position

About Us:

We are a leading meat processing facility committed to delivering high-quality products while maintaining the highest standards of safety and efficiency. Join our team and play a vital role in ensuring our refrigeration and air conditioning systems operate at peak performance.

Role Overview:

As an Airconditioning and Refrigeration Mechanic, you will be responsible for installing, maintaining, and repairing refrigeration and air conditioning systems critical to our production environment. This includes working on industrial refrigeration units, chillers, and HVAC systems to ensure compliance with food safety and operational standards.

Key Responsibilities:

- Install, service, and repair refrigeration and air conditioning systems, including industrial chillers and cold storage units.
- Diagnose faults and perform preventative maintenance to minimize downtime.
- Ensure compliance with relevant safety, environmental, and food industry regulations.
- Maintain accurate service records and report on system performance.
- Collaborate with maintenance and production teams to support operational efficiency.

Skills & Experience:

Applicants will need to possess recent experience in Airconditioning and Refrigeration with trade/diploma qualifications and at least two years of work experience in the industry along with.

- Certificate III in Airconditioning and Refrigeration (or equivalent trade qualification).
- Proven experience in industrial refrigeration systems, preferably in food or meat processing environments.
- Strong troubleshooting and problem-solving skills.
- Ability to work independently and as part of a team.
- Commitment to workplace health and safety standards.

Benefits

- Permanent Full-Time Position in a growing business
- Opportunities for professional development and career advancement.
- A supportive and dynamic work environment.

How to apply:

Please complete and submit a Fletcher International Exports application form for your application to be processed. You can find this on our website at <http://www.fletchint.com.au/careers/application-form>

Only shortlisted candidates will be contacted.
